Welcome to

Adventures in learning, created by Canadian dietitians

MISSION NUTRITION® resources for Kindergarten to Grade 8 are available in English and French at www.missionnutrition.ca or by calling 1-888-876-3750.

MISSION NUTRITION® is a unique program created to engage students in healthy eating, physical activity and positive self-esteem. The program features entertaining ways to explore and foster healthy living habits through a series of curriculum-based resources for students in kindergarten to grade 8.

Developed by Canadian Dietitians with input from teachers across Canada, with MISSION NUTRITION® initiative is based on a commitment to support children's healthy growth and development.

### A New Adventure with MISSION NUTRITION®

The MISSION NUTRITION® program for kindergarten to grade 8 students features a team of three lovable characters from outer space, who have come to Earth seeking knowledge on healthy eating, active living and self-esteem. These characters are an integral part of the MISSION NUTRITION® program as they work together to help students succeed in their missions to eat well, be active and feel good about themselves.

### Embarking on the MISSION NUTRITION® program is simple

To begin, give each student a copy of the introduction to the "MISSION NUTRITION® Team" on page 3. Read it out loud to your class to set the stage and spark their interest as you embark on your MISSION NUTRITION® journey. Then follow the easy-to-use Mission Plans to guide your lesson planning. Enjoy your MISSION NUTRITION® journey!

## Introducing the MISSION NUTRITION\* Team

A group of aliens called the MISSION NUTRITION\* team has come from outer space to learn about Earthlings. They want to know all about our habits and how we grow and go. Their many questions about people on Earth have brought them from the farthest corners of the galaxy. And they would like us to help them in their journey! Let's learn a little bit more about our heroes:

### CAPTAIN KIP\*

Captain Kip\* is the leader of the MISSION NUTRITION\* team. Captain Kip\* has lots of confidence and likes to ask questions and share important information to help lead us through the Missions.

### GLUBBER\*

Glubber\* is full of fun... get ready for a few laughs! Glubber\* has incredible shape-changing powers and can turn into just about anything to guide us and give us clues to help solve the Missions.

### HANDY-BOT\*

Captain Kip\* and Glubber\* built Handy-Bot\* to help them in their travels. With a "can-do" attitude, Handy-Bot\* loves to learn new things and is always ready to pitch in with tools to help carry out the Missions.
